Viaggio nella costellazione del cancro (Italian Edition)

Giuseppe Perrotta

Viaggio nella costellazione del cancro (Italian Edition) Giuseppe Perrotta

Medicina narrativa e riflessioni sulla parola "cancro". Cancro, un termine polisemico, una costellazione di significati disparati: inquietanti, tristi e misteriosi ma anche belli, lieti, affascinanti e nel Cancro-costellazione e nel Cancro-segno zodiacale e persino nel cancro-malattia. Il cancro, causa di tante morti, può essere pure una seconda opportunità di vita.

Cancro è termine usato anche come metafora del male e carico, in questa accezione, solo di significati nefandi, scellerati e spregevoli: il cancro della politica, il cancro del malaffare, il cancro della mafia. Un orribile cancro sociale contro il quale pare non esistere terapia e che condiziona anche la vita del malato oncologico.
