**Blonde Roots** Bernardine Evaristo

**The most provocative debut novel of the year, "a dizzying satire" (*The New Yorker*) that "boldly turns history on its head" (*Elle*).**

What if the history of the transatlantic slave trade had been reversed and Africans had enslaved Europeans? How would that have changed the ways that people justified their inhuman behavior? How would it inform our cultural attitudes and the insidious racism that still lingers today? We see this tragicomic world turned upside down through the eyes of Doris, an Englishwoman enslaved and taken to the New World, movingly recounting experiences of tremendous hardship and the dreams of the people she has left behind, all while journeying toward an escape into freedom.

A poignant and dramatic story grounded in provocative ideas, *Blonde Roots* is a genuinely original, profoundly imaginative novel.

### **From reader reviews:**

#### **Gerald Stewart:**

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and move forward. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know what type you should start with. This Blonde Roots is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

#### **Juan Higgins:**

Reading a book for being new life style in this calendar year; every people loves to read a book. When you learn a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, in addition to soon. The Blonde Roots provide you with new experience in reading a book.

#### **Dana Register:**

As we know that book is very important thing to add our understanding for everything. By a reserve we can know everything we would like. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This e-book Blonde Roots was filled in relation to science. Spend your time to add your knowledge about your technology competence. Some people has distinct feel when they reading a new book. If you know how big good thing about a book, you can really feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you just wanted.

#### **Bradley Roberts:**

That publication can make you to feel relax. This specific book Blonde Roots was bright colored and of course has pictures around. As we know that book Blonde Roots has many kinds or category. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. So , not at all of book are usually make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading this.
