Designer Genes: God Designed the Seeds of Your Character to Create Your Destiny Ken Harrington

This book looks at the connection between character and calling. Authority resides in a believer, not in one big bundle, but rather in the smaller compartments of their character. The recent moral failures of certain ministries were not because of their evil nature but rather indicated a lack of mature character in one or more areas. Immaturity is not evil, neither is maturity purity. Our destiny is to think like, look like, and act like Jesus. Where areas in our character have not been converted, immaturity and carnality dominate our thoughts and therefore our actions. This book is designed to be an incite into our own journey into maturity and purity. The abundance of scripture is allows the reader to hear God's point of view on each characteristic and to allow an impartation for change in those areas. The personal stories are there to show that even ordinary people can partake of His divine nature and affect their world.
