La scissione dei sensi perduti (Italian Edition) Francesco Caroleo

“La Scissione dei sensi perduti” è il titolo di questo libro che non è stato scelto, ma si è delineato ed è venuto a galla dalle profondità di un mare interiore inesplorato, in maniera spontanea ed immediata come l’intero romanzo. Questo scritto si stacca dalla realtà materiale per ridefinirla in senso metafisico, col fine di farla vivere in altri luoghi ed in altre circostanze. La sua composizione umorale e viscerale è avvenuta in poco tempo e narra le vicissitudini di una sola anima, la quale attraversa e subisce gli ostacoli di una vita del tutto presunta e lo fa in maniera singolare. Una vita di sofferenza, una vita criptata da un “demone interiore”. Una realtà esistenziale come tante... Una di quelle che di solito è meglio tenere lontana da sé stessi, non per paura, ma al contrario perché potrebbe mostrarci uno dei nostri tanti volti. Tra queste righe troverete quella forma di male che attanaglia la parte nascosta ed intima delle persone, la parte marginale ed al contempo essenziale delle stesse. Quella parte che pur apparendo brutta si nutre di una bellezza commuovente ed infinita. Fra esistenzialismo e misticismo troverete l’inquietudine ed il dolore che caratterizzano la nostra epoca, ma anche la delicatezza degli aspetti introspettivi, i quali in maniera più o meno diretta riguardano tutti. In queste umili righe non vi è nascosta alcuna pretesa di veridicità dogmatica.
