Charles M. Schulz

**The Complete Peanuts 1965-1966** Charles M. Schulz

**The mid-1960s was one of Schulz's peak periods of creativity. Snoopy has his first "dogfight" with the Red Baron, Charlie Brown and Linus go to summer camp, and Peppermint Patty makes her debut.**

We are now in the mid-1960s, one of Schulz's peak periods of creativity (and one third of the way through the strip's life!). Snoopy has become the strip's dominant personality, and this volume marks two milestones for the character: the first of many "dogfights" with the nefarious Red Baron, and the launch of his writing career ("It was a dark and stormy night..."). Two new characters?the first two from outside the strip's regular little neighborhood?make their bows. Roy (who befriends Charlie Brown and then Linus at summer camp) won't have a lasting impact, but upon his return from camp he regales a friend of his with tales of the strange kids he met, and she has to go check them out for herself. Her name? "Peppermint" Patty. With an introduction by filmmaker Hal Hartley. 730 black-and-white comic strips
