It's time to raise your expectations!

Favor is the "I'm-for-you!" attitude of God toward you. It is an undeserved, amazing benefit of being His child. But because many of us misunderstand the force of God's favor, we live without it.

You may feel that God's favor is absent in your life because He is withholding it. You may think you have to talk God into releasing it. But God's mighty favor is already freely given to us all!

Through biblical examples and powerful personal experience, Pastor Duane will help you realize that God means for you to enjoy His favor every day. Duane offers practical, scriptural advice on the importance of raising your expectation of favor, believing God's promises about it and letting your faith move your mouth, so you can unleash the force of favor in your life.

"What could be more important to your success than the favor of God in all your relationships? Pastor Duane has made it easy and enjoyable to understand how to release supernatural favor in your life. Do yourself a favor: read this book!"--Mylon Le Fevre, Mylon Le Fevre Ministries

"A life defined by God's favor is available to all of us. Discovering this will change not only your life but the lives of those around you. This book will give you keys for releasing God's favor in your life, causing you to live in the fullness of His promises."--Brian Houston, senior pastor, Hillsong Church, Sydney, Australia

"Duane Vander Klok walks tall in the message he communicates. The favor of God is demonstrated in his personal life, in the life of his family and in a high-favor, five-star church, Resurrection Life. Your life will be impacted forever as you digest and apply these principles."--William V. Crouch, Van Crouch Communications
