#### **Dee Alaniz:**

People live in this new moment of lifestyle always try and and must have the free time or they will get great deal of stress from both daily life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not only a robot. Then we consult again, what kind of activity have you got when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading publications. It can be your alternative with spending your spare time, the particular book you have read is Complications of Diabetes.

#### **William Johnson:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Complications of Diabetes can make you really feel more interested to read.
