La danza del leone cinese (I vortici) (Italian Edition) Giovanni Emilio Buzzelli

Gli uomini più potenti della terra uniscono le loro forze per far fronte a una terribile emergenza. L'economia cinese ha ormai preso il sopravvento in un'inarrestabile corsa che drena materie prime e risorse, lasciando il resto del mondo in ginocchio. La sola alternativa a un attacco militare sembra essere un ingegnoso piano politico-economico che impegnerà le menti più eccelse e gran parte delle risorse economiche di quattro continenti. Ma c'è un altro pericolo in agguato: il pianeta si sta ribellando ai maltrattamenti e alle manipolazioni inflittele dall'uomo. E, se la posta in gioco è la sopravvivenza, la natura, al contrario degli uomini, non conosce pietà. Un cyber-spy thriller dalla trama incalzante e ricca di colpi di scena, ambientato in uno scenario fantapolitico in fondo non troppo lontano dalla realtà in cui viviamo.
