## **Su único hijo (Spanish Edition)** Leopoldo Alas Clarín

Su único hijo es la segunda novela de Leopoldo Alas «Clarín», publicada en 1891 . Se considera, en comparación con La Regenta, una obra menor, que tampoco en su época contó con el aprecio de la crítica ni del público. Aunque ambas novelas tienen puntos en común (especialmente, en la crítica a la sociedad provinciana y en la narración de un adulterio), la evolución ideológica de Clarín las hace muy diferentes. El tema central de la historia es la paternidad como medio para la redención, muy cercano al Tolstói de Resurrección.
