The Regent's Daughter - A Sequel to "The Conspirators"

Alexandre Dumas

The Regent's Daughter - A Sequel to "The Conspirators" Alexandre Dumas

This vintage book contains Alexandre Dumas's 1893 historical novel, "The Regent's Daughter". A sequel to "The Conspirators", this thrilling romantic adventure is reminiscent of Dumas's seminal "Three Musketeers" saga, and will not disappoint those looking for an exciting tale of adventure, romance, royalty, intrigue, misfortune, and love. Alexandre Dumas (1802–1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "Chicot the Jester" and "The Count of Monte Cristo". Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.
