Hermits are a rare breed. Married hermits are about as common as spotted owls. What happens when you marry a Roman Catholic priest to a former nun and nest them in a mountainside hermitage named Still Wood? This memoir is a three-way love saga – God, a priest and a nun ministering to hermits world-wide from the isolated county of “Bloody Madison”, NC.

Each chapter weaves together “God-rich” incidents from four periods of my life: growth in a Catholic home; thirty years in a cloistered monastery; six years in a hermitage, and sixteen years at Still Wood, all confirming that always and everywhere “God is ever found.”
