Forgotten : A Guardian Legacy Book Ednah Walters

"*Forgotten*" takes the Guardian Legacy series in a new direction, as Lil wakes up on Mount Hermon Island after months of unconsciousness only to find that she has no memory of her life before waking up. As she learns about life there, and deals with her father and half-sister, she learns about the rules of society among the Hermonites and champions the cause of the minions, those who were unlucky enough to be born without powers. As she moves forward toward fulfilling her destiny as the one who will unite her people, she has to balance her responsibilities and her love for Bran.
