La Guerra Larga (La Tierra Larga 2) (Spanish Edition) Terry Pratchett, Stephen Baxter

La segunda entrega de una serie escrita a cuatro manos por el aclamado Terry Pratchett, creador del *Mundodisco*, y el prestigioso autor de ciencia ficción británica, Stephen Baxter: una nueva aventura tan inteligente como divertida, que indaga las consecuencias de un mundo ilimitado.

La Tierra Larga es un sinfín de mundos paralelos a solo un paso de distancia. La humanidad ha explorado muchos de ellos, impulsando el comercio y la cultura. Pero también ha alterado el equilibrio político de nuestra tierra de origen y la estabilidad ecológica de estos nuevos mundos. Por un lado, la Declaración de Independencia de una lejana colonia provoca la censura del gobierno ultraconservador. Por otro, los humanos han descubierto que los trolls, unos pacíficos humanoides capaces de cambiar de mundo, son muy útiles para el trabajo físico y los utilizan para su beneficio. Ante el inexorable avance de los colonos humanos, los trolls están empezando a desaparecer.

En su día, Joshua Valiente lideró la primera misión de exploración de estos mundos múltiples junto con la unidad de inteligencia artificial llamada Lobsang. Ahora, una década después, Joshua se verá obligado a abandonar su vida apacible con su mujer e hijo. La Tierra Larga recurre de nuevo a él porque se avecina una guerra... una guerra distinta a todas las libradas hasta ahora.

Reseñas:

«Alquimia literaria.»

SFX

«La calidez y la humanidad de Pratchett se alían con la extraordinariamente fértil imaginación de Baxter.»

The Guardian
