**Serviço social, ética e saúde: reflexões para o exercício profissional (Portuguese Edition)** Maurílio Castro de Matos

O autor tem como preocupação central o desvelamento da realidade e seus impactos nos serviços de saúde, visando defender uma adesão crítica e consciente pelos profissionais de Serviço Social aos projetos Ético-Político e da Reforma Sanitária. A leitura deste livro chega em um momento conjuntural importante em face das manifestações de massa por mudanças estruturais. A saúde tem sido uma demanda prioritária dessas manifestações. O livro é um grito contra a mercantilização da saúde e uma defesa da ação compromissada dos assistentes sociais e demais trabalhadores de saúde, na defesa do SUS público, estatal e universal.
