Smith & Hogan's Criminal Law is regarded as the leading doctrinal textbook on criminal law in England and Wales and has been for over 45 years. The book owes its consistent popularity to its accessible style, depth of analysis and breadth of coverage. It is an invaluable text for undergraduates and is an essential reference source for criminal law practitioners.

The thirteenth edition has been completely updated in order to include all legislative and case law developments. Changes brought about through the Coroners and Justice Act 2009 and the Criminal Justice and Immigration Act 2008 have been fully incorporated. There is, as ever, detailed analysis of the many recent case developments (over 200 new cases are digested in this edition), in particular, a revision of the chapter dealing with secondary liability and joint enterprise.

Online Updates

Smith and Hogan Criminal Law is accompanied by free comprehensive on-line annual case updates, organized by chapter, with increased navigational functionality. Also included is a full bibliography arranged alphabetically and by chapter
