Dancing marks the rites of passage in a daughter's life and that of the father who loves her. From her first carefree twirling in the flower-dotted yard, to her first solo performance in *The Nutcracker*, to the waltz of her wedding night, her father is there watching, silent and unobserved. And he smiles.

This tender story of the bond between a father and a daughter, told straight from the heart by the best-selling author of *The Christmas Candle* and illustrated with exquisite, lush paintings, evokes that bond with powerful poignancy. *The Dance* will forever resonate with parents and children everywhere.
