The Lone Wolfe (The Notorious Wolfes Book 8) Kate Hewitt

After years lying neglected, the walls of Wolfe Manor tremble as Jacob Wolfe returns—the master is back!

Gardener's daughter Mollie Parker has lived amidst the secret, overgrown garden in her little cottage—waiting...for what, she wasn't sure...until now.

Reputation in tatters, Jacob licks his wounds alone in the shadows. Mollie knows his ferocious bark is worse than his bite and as she takes her tentative steps across the threshold, she brings with her the light missing from his darkened soul. The lone Wolfe will never be tamed—but she knows that once he loves, he loves for life.
