Immediate Fiction: A Complete Writing Course Jerry Cleaver

Covering the entire process from story building to manuscript preparation and marketing, Jerry Cleaver shows the novice and experienced writer how to start writing and how to get immediate results.

Readers will find everything they need to know about managing time, finding an idea, getting the first word down on the page, staying unblocked, shaping ideas into compelling stories, and submitting their work to agents and publishers.

Immediate Fiction goes beyond the old "Write what you know" to "Write what you can imagine." Filled with insightful tips on how to manage doubts, fears, blocks, and panic, *Immediate Fiction* will help writers develop their skills in as little minutes a day, if necessary.

Believing that all writing is rewriting, Cleaver says, "You can't control what you put on the page. You can only control what you leave on the page." With this book Cleaver shows how to get that control and produce results.
