Our Gang (Vintage International) Philip Roth

A ferocious political satire in the great tradition, **Our Gang** is Philip Roth's brilliantly indignant response to the phenomenon of Richard M. Nixon.

In the character of Trick E. Dixon, Roth shows us a man who outdoes the severest cynic, a peace-loving Quaker and believer in the sanctity of human life who doesn't have a problem with killing unarmed women and children in self-defense. A master politician with an honest sneer, he finds himself battling the Boy Scouts, declaring war on Pro-Pornography Denmark, all the time trusting in the basic indifference of the voting public.

From the Trade Paperback edition.
