The Awakening (5 Book Series) Adina West

From Book 1: Perfect for fans of The Mortal Instruments series by Cassandra Clare, this intriguing urban fantasy follows the story of Kat Chanter, who discovers that the world she knows is controlled by ancient creatures who feed on blood. And she might just be one of them ...

Kat can run a marathon without breaking a sweat. Catch anything you throw at her. Differentiate blood types by smell alone. And she's spent years hiding the fact. But secrets from the past have a way of slipping out when least expected, and a simple blood test is enough to turn her quiet life in the shadow of the Appalachian Mountains upside down forever.

Kat's been craving raw meat. When she visits a psychic she's told her life is about to change forever. Kat isn't so sure change is a part of her plan, but when a fabulous job offer to work for a research organization comes her way, she's tempted to say yes and make the move to New York. It just might be her chance to find out if there are others in the world like her ...

Will her dream job bring answers to her questions or will it lead her into more trouble than she could ever imagine?
