Turn & Burn: Revenge is a Red-Headed B\*tch (The 'Cuda Confessions Book 2) Eden Connor

**They say love hurts and I'm about to prove them right.**

When asked to be the keynote speaker to honor my stepfather's twenty-fifth year with Ridenhour Racing, I was determined to get even with my stepbrothers. When I took an instant dislike to the team's young superstar, Dale knocked my plans awry by betting his prized '71 Barracuda Hemi against Kolby's new Audi R8 that I could beat the rising NASCAR superstar in a drag race.

**Play with fire, you might get burned.**

I agree to the high-stakes bet, only to realize I'm back where I swore to never be again, drag racing on the country lane where Colt Hannah ruined my life. Can I find a way to put Colt and Caine on their knees and still win the race, or must I betray the growing relationship with my stepfather to get vengeance on the pair who humiliated me?

**Play with love and all bets are off.**

One thing hasn't changed in the four years since I left town. Nothing with the Hannah brothers is ever what it seems. And once more, when I leave town, neither am I.
