Guardianes de la noche (Guardianes 1) (Spanish Edition) Serguéi Lukyanenko

Pasean por las calles de Moscú, indistinguibles del resto de la población, y se llaman a sí mismos los Otros. Son criaturas con poderes excepcionales que han perdido su humanidad y pueden internarse en el Crepúsculo, un mundo de sombras paralelo al nuestro. Cada Otro ha tenido que jurar lealtad o bien a la Luz o bien a las Tinieblas. Ambandos conviven en una difícil tregua desde que, tiempo atrás, para impedir el caos y la aniquilación, firmaron un pacto y crearon dos patrullas -la Guardia Nocturna y la Guardia Diurna- para vigilarse de cerca. Su objetivo no es destruirse, sino mantener el precario equilibrio entre el bien y el mal. Sin embargo, una antigua profecía dice que un día aparecerá un poderoso Otro que será tentado por uno de los bandos e inclinará la balanza. Ese día hallegado... *Guardianes de la noche* es un *thriller* de fantasía de ritmo arrollador y deslumbrante por su originalidad e inteligencia, uno de esos libros que traspasa las fronteras de su género. Ambientada en la compleja y contradictoria Rusia de nuestros días, esta novela-un libro de culto avalado por su éxito internacional- nos descubre un mundo donde un acto de maldad debe ser contrarrestado por una acción benévola, donde unos seres se debaten entre su pérdida humanidad y sus nuevos poderes, y explora los temas universales de la libertad y la responsabilidad, el fin y los medios, la eterna lucha entre el bien y el mal, y la difusa línea que les separa.
