Eugenia Ramírez es una treintañera que recorre el mundo impartiendo clases de español e intentando convertirse en escritora. Un profesor de «creación literaria» de la universidad de Nueva York le hace comprender que su propia vida podría convertirse en la historia que está buscando.

Loca Novelflife es una novela rebotante de humor que convierte al lector en cómplice de las aventuras de una «loca» bilbaina que no sabe permanecer quieta en ningún lugar y que huye de la soledad, reencontrándose con ella en cada uno de sus destinos.

Desde la América profunda hasta Singapur, en un hilarante *patchwork*, Eugenia encuentra los compañeros de viaje perfectos para acompañarla en su determinante decisión de no hacerse mayor.

Una novela fresca y entretenida, que hace reír y emociona a partes iguales.
