Neighbor: Christian Encounters with "Illegal" Immigration Ben Daniel

Using a blend of travel narrative, interviews, theological insight, and biblical scholarship, Daniel tackles the controversial issues that surround undocumented migration in the United States by taking the reader to the spiritual, legal, and geographical front lines of the immigration debate. Here, the political becomes personal and talking points have a human face. The result of this journey is a compelling argument that encourages Christians to meet undocumented migrants as neighbors and as friends. Study questions are included.
