## **Concílio Vaticano II (O) (Portuguese Edition)** Agenor Brighenti

O Concílio Vaticano II, nas palavras de Paulo VI, "mais que um ponto de chegada, é um ponto de partida para outros objetivos". Hoje, os atores de processos eclesiais, empenhados em levar adiante a renovação conciliar, se perguntam se o Vaticano II não é uma batalha perdida. No entanto, este tempo de jubileu do Vaticano II nos convida a revisitá-lo com objetividade e esperança, e fazer uma reflexão que situe o legado do Concílio no momento presente, de frente ao futuro. Mais que fazer um balanço da recepção de suas proposições, esta obra busca mostrar o alcance, a atualidade, a necessidade e as possibilidades das mesmas, neste momento crucial de sua recepção. O Papa Francisco abre novas perspectivas e é um convite para avançar.
