From the author of the Baba Yaga novels, a brand new series set in the same “addicting”* world, filled with wild magic, enchanting damsels, and the irresistibly daring men who serve the Baba Yagas...

The Riders are three immortal brothers who protect the mythical Baba Yagas. But their time serving the witches has ended—and their new destinies are just beginning...

Ever since a near-fatal mistake stripped Mikhail Day and his brothers of their calling to be Riders, Day has hidden from his shame and his new, mortal life in a remote cabin in the Adirondack mountains. But when a desperate young woman appears on his doorstep, he cannot resist helping her—and cannot deny how strongly he’s drawn to her...

For generations, women in Jenna Quinlan’s family have been cursed to give up their first born child to the vengeful fairy Zilya. When Jenna finds herself unexpectedly pregnant, she is determined to break her family’s curse and keep her baby, even if it means teaming up with a mysterious and charismatic man with demons of his own...

To unravel the curse, Jenna and Day will have to travel deep into the Otherworld. But the biggest challenge of the journey might not be solving an ancient puzzle but learning to heal their own broken hearts...
