In his debut book, Greg offers guidance to over 50 dives in several areas, including Metchosin and Race Rocks, Victoria, Sansum Narrows, Saanich Inlet, Sidney and the Southern Gulf Islands.

*Diver's Guide, Vancouver Island South* is fully illustrated with Greg's own computer-generated maps, based on his personal exploration of these underwater environments, and with photos taken on these dives.

The explicit detail and concentration of dive opportunities in popular BC coastal regions promise to make this an outstanding reference source for all divers and a must-have for every diver's library.
