'We were the first generation to have to deal with the modern stardom of football. Some handled it better than others' George Best

Written in the months before he died, *Hard Tackles and Dirty Baths* is George's farewell letter to the great footballing era in which he burned so brightly - a personal history of the golden years before TV and agents changed everything. From the breaking of the maximum wage to the cusp of the first million-pound player, it follows the triumphs and tragedies of every season from 1960 to 1974. It is the story of our greatest footballing generation - Greaves, Moore, Law, Charlton, Osgood, Lorimer, Jennings, Hurst and, of course, Best himself.
