The Decameron Third Day in Perspective (Toronto Italian Studies)

The Decameron Third Day in Perspective (Toronto Italian Studies)

Divided into ten days of ten novellas each, Giovanni Boccaccio's *Decameron* is one of the literary gems of the fourteenth century. *The 'Decameron' Third Day in Perspective* is an interpretive guide to the stories of the text's Third Day. For each novella, a distinguished Boccaccio scholar offers an essay that both reviews the current scholarly literature and advances new and intriguing interpretations of the work. The whole collection reflects the series's guiding principle of examining the text "in perspective," revealing the connections among the novellas, the Days, and the framing narrative that holds the whole *Decameron* together.

The second of the University of Toronto Press's interpretive guides to Boccaccio's *Decameron*, this collection forms part of an ambitious project to examine the entire *Decameron*, Day by Day.
