Trinity: The Koldun Code (Book 1) Sophie Masson

I am in a world deeply strange and strangely deep, a world as different from my old life as it's possible to be, and it feels completely natural.

An unexpected encounter with a handsome stranger in a Russian wood changes the life of 22-year-old traveler Helen Clement forever, catapulting her into a high-stakes world of passion, danger, and mystery. Tested in ways she could never have imagined, she must keep her own integrity in a world where dark forces threaten and ruthlessness and betrayal haunt every day.

Set against a rising tide of magic and the paranormal in a modern Russia where the terrifying past continually leaks into the turbulent present, *Trinity: The Koldun Code* is a unique and gripping blend of conspiracy thriller, erotically charged romance and elements of the supernatural, laced with a murderous dose of company politics. With its roots deep in the fertile soil of Russian myth, legend, and history, it is also a fascinating glimpse into an extraordinary, distinctive country and amazingly rich culture.

The Koldun Code is the first book in the Trinity series by Sophie Masson.
