"Emotional drive is self-starting and largely automatic, whether based on hunger, fear, love, or ambition. "

"For all of us, a good rule is always to encourage ideas—to encourage speaking up as well as thinking up."

"Whatever creative success I gained was due to my belief that creative power can be stepped up by effort, and that there are ways in which we can guide our creative thinking. "

"If we set aside a defined period for creative thinking we can best lure the muse."
