100 Ideas for Secondary Teachers: Revision John Mitchell

This brand new title in the 100 ideas series provides secondary teachers with an easy to implement list of revision strategies they can use in lessons. Each idea has been tried and tested and will have minimal preparation time for teachers; links will be provided to materials and proformas for teachers to use.

The book will focus on strategies of effective revision which can be used to help prepare students for any level of examinations. These strategies can be easily implemented in lessons at any post Year 7 level, therefore encouraging students to consistently review and reinforce their learning. This consistent approach means that revision is built into a scheme of learning and becomes an everyday process rather than one that is just used in the run up towards examinations.
