## Il calcio e le sere d'inverno (Italian Edition) Franco Astengo

Una Storia del Calcio, e del mondo del pallone, molto tecnica e nello stesso tempo sentimentale.

Un'epopea, quella del mondo legato alla magica sfera, che sin dalle origini ha dimostrato tutta la sua capacità di ideazione, di trasformazione rivoluzionaria, di genialità ma anche di duro lavoro, di miserie, di grandi figure, in perenne connessione con la (anche cattiva) politica e il costume.

Non troveremo tabelle né statistiche perché ormai reperibili sul web.

Utile al curioso che vuol affacciarsi con strumenti di conoscenza storica e tecnica al riguardo del calcio nazionale e internazionale, ciò che trascinerà il lettore già appassionato sarà il continuo innestarsi di ricordi e opinioni propri a confutazione o a conferma, come ad esempio nella lettura dell'originale capitolo dedicato alle "convocazioni impossibili".
