## **Joplin's Ghost: A Novel** Tananarive Due

From the award-winning writer of *The Good House*, *The Living Blood*, and more, *Joplin's Ghost* is a chilling tale of a star-in-the-making whose life goes haywire as she is haunted by the ghost of a long-dead music legend.

When Phoenix Smalls was ten, she nearly died at her parents' jazz club when she was crushed by a turn-of-the-century piano. Now twenty-four, Phoenix is launching a career as an R & B singer. She's living the life young artists envy and seems destined for fame and fortune. But a chance visit to a historical site in St. Louis ignites a series of bizarre, erotic encounters with a spirit who may be the King of Ragtime, Scott Joplin. The music of Scott Joplin is strange enough to the ears of the hip-hop generation, but the idea that these antique sounds are being channeled by the protegee of rap superstar G-Ronn is nothing short of ludicrous. With growing violence in G-Ronn's inner circle and a ghost bent on living forever through her, Phoenix's life suddenly hangs in the balance," writes Tananarive Due. Can the power of her own inner song and the love of a music writer who believes in her give Phoenix the strength to fight to live out her own future? Or will she be trapped forever in Scott Joplin's doomed, tragic past?
