**The Still (Rodrigo of Caledon Book 1)** David Feintuch

**David Feintuch's fantasy debut: the rousing tale of a young man's quest to reclaim his throne and master his own soul**

Rodrigo, Prince of Caledon, is petulant, selfish, and uncaring. When his mother, Queen Elena, dies, he fully expects to inherit the title of king. Instead, his uncle usurps the throne, and Rodrigo is forced out of the kingdom, along with his brother and best friend.

In order for Rodrigo to take back his birthright, he must win not only the allegiance of the Council of State, but also the Still, a mystical power that can be channeled by the rightful king of Caledon. To wield that power, Rodrigo must be pure, must be honest, and must be crowned king. Rodrigo's success or failure will determine the fate of not only his homeland, but of his very soul.
