## **Character and Cops: Ethics in Policing** Edwin J. Delattre

Since the first edition was published in 1989, *Character and Cops* has been considered the bible of police ethics training. The book is a comprehensive guide to the ethical challenges faced daily by police officers, especially in times of heightened security. The updated sixth edition features a new foreword by David Bores, a retired lieutenant colonel in the United States military police, and a new chapter titled 'From War Veterans to Peace Officers,' which explores policies for incorporating soldiers returning from Iraq and Afghanistan into the domestic police force.
