*N3xt Practices* is a ground-breaking advisory book for education decision makers. Its purpose is to challenge the top trends and initiatives of the previous decade in educational technology and bring light to their short-falls and misses. It also highlights successful endeavors and strategies and details a common-sense methodology to move your school/district forward in its technology initiatives while insuring sustainability, and longevity and ultimately, success through results. *Next Practices* identifies technology-based initiatives, such as Interactive White Boards, Data Centers, and 1-to-1 Computing, and reviews actual implementations and case studies – both successful and unsuccessful – to provide a structure to plan and implement educational technology initiatives practical for schools and districts of all sizes. *Next Practices* goes beyond the examination of current best practices and redefines for educational leaders NEXT Practices for successful technology initiatives in support of 21st century learning.
