Nitti e il Mezzogiorno d'Italia (Italian Edition) Lerra Antonio

Gli Atti del Seminario di studi su Nitti e il Mezzogiorno d'Italia qui raccolti rappresentano un contributo di rilevante interesse, sia in direzione di una proficua analisi di una dimensione fondamentale nell'operare scientifico e politico-istituzionale nittiano, sia anche come indiretto concorso ad un'aggiornata messa a fuoco e all'approfondimento di alcuni degli aspetti e delle problematiche caratterizzanti per la storia del Mezzogiorno d'Italia, tanto più in rapporto ad una fase cruciale come quella coincidente con la produzione e l'attività di Nitti. Il cui fruttuoso lascito scientifico e politico istituzionale è stato di alimento e sollecitazione ad un intenso dibattito intorno agli indirizzi portanti della sua complessiva progettualità, per molti aspetti oggi ancora di significativa valenza ed attualità, in modo particolare rispetto ai persistenti bisogni del Mezzogiorno d'Italia, ma, ora, nel quadro di un contesto di più sensibile e larga attenzione, centrale e locale, per culture, politiche e istituzionali, di programmazione e pratica riformiste, come significativamente emerge dall'insieme degli apporti a questo volume.
