The 2005 Christmas booklet is a special tribute to Elder Neal A. Maxwell, the beloved latter-day apostle and prolific author who touched our hearts and stretched our minds with his inspired writings. Of the Nativity story, Elder Maxwell says, 'It is not solely about some other time, some other place, and some other people. It is still unfolding and we are in it!' He shares nine points of counsel such as, 'We should be like that star- in our proper orbit and place, on time, putting our talents to work, doing what we have been asked to do. God has placed us in our proper human orbits with the same precision. He used as He placed that star in a certain trajectory ages before it shone brightly that special night.' First published in 1994, this classic message is perfect for sharing!
