The Ghost Shift: A Novel John Gapper

In the tradition of *Gorky Park*, John Gapper's new thriller takes readers inside the secretive and dangerous world of modern China, as a young woman makes a haunting discovery—one that forces her to choose between duty to her government and a desperate desire to learn the truth about herself.

This wasn't just a body in a field. The corpse's shape was hers—same length, same curves. Then she knew, and everything else receded to nothingness. All she could see was a woman with the same nose, the same eyes, and the same face.

Her twin.

As an up-and-coming agent of the Commission for Discipline Inspection, Song Mei probes political corruption, not mysterious deaths. But that changes when she arrives on the scene of a grim police investigation and is confronted with a crime—and a victim—impossible to ignore. Despite strict orders and threats from superiors, Mei knows she can not turn away.

Breaking protocol, Mei undertakes a covert search for the truth about the mystery woman's death—and life—by following in her footsteps from a factory plagued by worker suicides to a luxury hotel dealing in high-end escorts to an American home haunted by tragedy. But when Mei crosses paths with an ex-CIA operative on a shadowy mission of his own, her personal quest takes a jarring turn into political and industrial espionage that pits both agents against the highest ranks of communism and capitalism.

Praise for John Gapper's *A Fatal Debt*

"Rarely does one read a first novel so self-assured, sharp, and compelling. It takes off like a rocket and doesn't stop until its explosive conclusion."—**Joseph Finder, author of *Suspicion***

"An enlightening and grisly tale . . . tightly plotted and fast-paced."—***The New Yorker***

"An ingenious thriller about the ruthless world of high finance."—***The Washington Post***

"A fast-paced book that should entertain finance aficionados and fans of detective fiction alike."—***Fortune***

"A neatly crafted and well-written thriller . . . an audacious, assured debut."—**David Ignatius, author of *Bloodmoney***

"[Gapper] knows when to put his foot on the narrative accelerator."—***Financial Times***

"Intriguing . . . suspenseful . . . a web of deceit and betrayal."—***Booklist***
