## **At Peace in the Light** Dannion Brinkley, Paul Perry

In *At Peace in the Light*, Dannion Brinkley continues his unique spiritual exploration that began in his phenomenal national bestseller, *Saved by the Light*, where he revealed the two near-death experiences that left him with an extraordinary sense of perception. Here Brinkley describes, with absolute candor, his struggle to become accustomed to his disorienting psychic ability, and his decision to offer comfort to those dying in hospices.

In his poignant and personal style, Dannion shares heartwarming stories of his ability to give comfort where it is needed, and demonstrates that the dying often have enhanced psychic ability and a clarity of vision that can make death more graceful for everyone involved. He also shares lessons in achieving what he calls the panoramic life review, and instructs readers on awakening and enhancing their own skills of perception, while providing the language to deal with their own and their loved ones' mortality.

For the hundreds of thousands who found comfort and understanding in *Saved by the Light*, here is Dannion Brinkley's new message of inspiration, guidance, and the unlimited opportunity for spiritual growth and renewal.
