**Computer Science: A Structured Programming Approach Using C** Behrouz & Richard Gilberg Forouzan

The third edition of computer science: a structured programming approach using c continues to present both computer science theory and c-language syntax with a principle-before-implementation approach. Forouzan and gilberg employ a clear organizational structure, supplemented by easy-to-follow figures, charts, and tables. The new edition has been thoroughly updated to reflect the new c99 standard, and includes a revised chapter sequence to better aid student learning.
