Danielle and Wes have been best friends since college, so when Wes needs a date for his sister's wedding and Dani needs a partner for her company's retreat, they devise the perfect plan: a fake engagement to get through both events unscathed. Adrenaline-junkie Wes can prove to both his ex and his family that he's well and truly moved on, and serious-minded Dani can prove to her boss that she's worthy of the promotion he seems to only want to give to a family-oriented employee. But amid the fake swoons, fake kisses, and forced proximity, neither expects the very real feelings that develop. There's nothing more dangerous than falling for your best friend...but what if the landing is worth the fall?
