Il Codice (Italian Edition) Mario Zatri

“Il Codice” narra fatti realmente accaduti con ambientazioni e nomi di persone opportunamente cambiati per motivi di privacy e sicurezza.

Il motore della storia è il sogno di libertà che ogni uomo coltiva dentro di sé sapendo però di dover obbedire comunque ad un insieme di regole.

Piero lascia la nebbiosa Legnano e si trasferisce a Pattaya, calda e allegra città della Thailandia, dove vive con leggera spensieratezza lontano dai vincoli e dalle convenzioni della provincia lombarda fino a quando il destino non bussa alla sua porta.

L'uomo, ormai cinquantenne, viene accusato ingiustamente di correttezza in un omicidio ed affronta l'incubo giudiziario e carcerario con la consapevolezza che, per salvarsi, deve sostituire le regole, fino ad allora a lui conosciute, con nuovi codici, riscoprendo la forza primordiale presente, in varia misura, in ogni uomo.

Piero è il personaggio principale della storia. Il vero protagonista non è però una persona fisica, ma le regole e le convenzioni che guidano la condotta umana, in definitiva il “Codice”: quello genetico, ambientale e culturale determinante i tratti comportamentali; quello morale condizionante la condotta di vita ed, infine, lo stesso destino, anch'esso visto come ipotesi di declinazione di vincoli esterni alla scelta umana.
