Life, Love, and Being: The Complete Series Austin P Torney

An Epic Poem-Story, that is An Exploration of the Joys of the Human Condition and the Astounding Secrets of the Universe and the Mind Through the Life of a Loving Couple Engaged in the Ultimate Relationship Across the Centuries and into the Future. Part 1: Escaping from a monastery-abbey that engulfed itself in the flames of ignorance, such as the one in in the book 'The Name of the Rose', they, our ever returning couple, salvage a mysterious book of quatrains that guides them through the joys and follies of the human condition as they live out its words, for the proof of all writing is to live it. So close in thought that they need not even be named at first, our couple takes a picaresque journey through the first part of the series to solve the difficulties of life as they are encountered in their travels through the forested countryside. Alive and positive; it makes you want to run right out and live. Magical, enchanting, and mystical. Part 2: Features Peter and Angelina editing their book in Vassar Library, the tale of how they met, so long ago, in the monastical village, the consummation, and some of their new poems. Alive and positive; it makes you want to run right out and live. Still magical, enchanting, and mystical. A transition to the rest of the series. Parts 3 & 4: Peter and Angelina meet again, in more recent times, glorying in the state of existence, as their world opens up in astounding magnificence. Much too enchanting for words. Life will never be the same again. Part 5: The present era ends, as the future begins, and is know, as well as an 'other' era. The story ends; the Book of Quatrains is revealed.
