The Tequila Worm Viola Canales

Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio in McAllen, Texas, full of the magic and mystery of family traditions: making Easter *cascarones*, celebrating *el Dia de los Muertos*, preparing for *quinceañera*, rejoicing in the Christmas *nacimiento*, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different mundo, but one where Sofia's traditions take on new meaning and illuminate her path.

From the Hardcover edition.
