Love is a many-splendored thing, a force so powerful that it can cut through time and distance to unite people as if with one heart. Everyone dreams of finding their One True Love, a soul mate with whome to share all of life's ups and down. And whether it's a love that stands the test of time or a love that burns like a candle but only for a little while, once touched by it we are never the same.

Like love itself, these stories can make you laugh, make you cry, and make you hold your breath wondering what will happen next. We hope they touch you as deeply as they've touched us. And may your life always be blessed with love.
