Ghosts and ghouls, demons, poltergeists, phantoms, haunted houses, and shadow people—why is America so captivated by the creepy and unexplained? *Paranormal Obsession* is the first book to explore why we have an insatiable interest in spirits, ghost hunting, and all things otherworldly.

Paranormal investigator and researcher Deonna Kelli Sayed reveals how and why our fascination with spirits started. She interviewed ghost hunters, religious figures, scientists, academics, and cast members of the popular TV shows *Ghost Hunters* and *Paranormal State*, and offers compelling insight into what our fixation on ghostly activity says about American culture. *Paranormal Obsession* also highlights the author's paranormal group's investigation of the USS North Carolina, the most haunted battleship in the United States.
