*The Chemical Wedding of Christian Rosenkreutz*, often looked upon as the third Rosicrucian manifesto, has an entirely different tone from the other Rosicrucian documents. Unlike the Rosicrucian manifestoes, which address the transformation of society, *The Chemical Wedding* is concerned with the inner transformation of the soul. It is a deeply interior work, one which asks the reader to step into its world of symbols and walk with Christian Rosenkreutz along his path of transformation. Despite its importance as a key text of the Western esoteric traditions, this is the first ever contemporary English translation of *The Chemical Wedding*, made especially for this edition by Joscelyn Godwin. Also included in this edition is an introduction and commentary by Adam McLean, which illuminates the transformative symbolism.
