**New from “a definite star on the rise.” (LINNEA SINCLAIR)**

My name is Raine Benares. Until last week I was a seeker—a finder of things lost and people missing. Now I’m psychic roommates with the Saghred, an ancient stone with cataclysmic powers. Just me, the stone, and all the souls it’s ingested over the centuries. Crowded doesn’t even begin to describe it. All I want is my life back—which means getting rid of the stone and the power it possesses. To sort things out, I head for the Isle of Mid, home to the most prestigious sorcery school, as well as the Conclave, the governing body for all magic users. It’s also home to power-grubbing mages who want me dead and goblins who see me as a thief. As if that’s not enough, Mid’s best student spellsingers are disappearing left and right, and I’m expected to find them. Lives are at stake, goblins are threatening to sue, mages are getting greedier, and the stone’s power is getting stronger by the hour. This could get ugly.
